Bangalore, IN | (+91) - 9097973000 | Sarvagya4@gmail.com | [Linkedin.com](#)

SUMMARY

As an aspiring software engineer, I specialize in web development frameworks, programming languages, and database management. With a primary focus on backend development, I'm dedicated to crafting robust solutions and advancing my skills. Eager to learn from industry veterans and contribute meaningfully to team goals, I'm poised to thrive in the dynamic field of technology.

WORK EXPERIENCE

iNeuron.ai

Bangalore, Karnataka
